Here is a brief update of what has transpired in the first weeks of the semester for Builder Nation. :

Football:

Begins the season 0-2, having lost most recently to a Division-I Football Championship Subdivision opponent in Drake. The young Moundbuilders have shown improvement as each week progresses. They travel to nationally-ranked Sterling on Sept. 16 to take on the I-I Warriors to begin KCAC play.

Men's Cross Country:

Competed in the JK Gold Classic at Augusta's 4 Mile Creek Resort on Sept. 2, finishing seventh out of eight respectively. They will prepare to travel south to Joplin, MO and compete in the Missouri Southern State University Stampede Saturday morning on Sept. 16.

Men's Soccer:

Has begun the season at 0-5. After a recent road trip to Denver, the Builder men look to turn their season around beginning with a match at Saint Gregory's University in Shawnee, Okla. on Sept. 16.

Women's Cross Country:

Began their season at the JK Gold Classic in Augusta on Sept. 2 placing third among five non NCAA Division-I schools. They will also take their talents to Joplin, MO and compete in the MSSU Stampede on the morning of Sept. 16.

Women's Soccer:

Is currently 2-3 overall with victories over Southwestern Assemblies of God, as well as Texas College early on in their campaign. The Lady Builders look to make their winning percentage .500 next match against Saint Gregory's University Sept. 16 in Shawnee, Okla.
